ABOUT

Helping the web development team to give a creative and original approach oriented to the end customer, contributing with my sales experience, and my daily effort to grow like a developer.

EXPERIENCE

Ford Rohercar 2013 -2022

I was working as sales representative, CRM manger, webmaster (www.rohercar.es), responsible of online sales, and community manager. Budgeting cars, commercial vehicles, fleets, financial products and insurance, through CRM leads, and my own's prospection. More than 400 sealed cars and 3 times winner of the "Ford's Spain Chairman's " award to the team with the best customer rating.

Telefónica 2011-2013

Operated as second manager, commercial advisor and back-officer at Movistar Stores. Selling smartphones and communication solutions for privates and entrepreneurs.

Cinebox 2005-2010

Initially worked as a barman for the first two years and then as Store Manager. Handling stock control (SAP) and the management of objectives and quadrants of 15 people.
